## Amazing Grace

**Capo 4**  
**G C G**  
Amazing grace, how sweet the sound  
**D**  
That saved a wretch like me  
**G C G**  
I once was lost but now am found  
**D G**  
Was blind but now I see  
  
Twas grace that taught my heart to fear,  
And grace my fears relieved  
How precious did that grace appear  
The hour I first believed  
  
Through many dangers, tails and snares  
I have already come  
'Tis grace that brought me safe thus far  
And grace will lead me home  
  
When we've been here ten thousand years  
Bright shining as the sun  
We've no less danys to sing His praise  
Than when we first began

## Angel

**G C D G C D**  
Goodnight my little angel  
**G C D G C D**  
Sleep tight it's time to rest

I am the Life, the Way to go home.
  4. Jesus (3 times) JESUS.

# Blowin' In The Wind

*G C D Em G C D*  
How many roads must a man walk down, before you call him a man?

*G C G Em*  
Yes'n how many seas must a white dove said,

*G C D*  
Before she sleeps in the sand?

*G C G Em*  
How many times must the cannon balls fly,

*G C D*  
Before they are forever banned?

*C D G Em*  
(chorus) The answer my friend, is Blowin' in the Wind ,  
*C D G*  
The answer is Blowin' in the Wind

How many years can a mountain exist, before it's washed out to sea?  
How many years can some people exist,  
Before they're allowed to be free?  
How many times can a man turn his head,  
Pretending he just doesn't see?

(chorus)

How many times must a man look up, before he sees the sky?  
Yes'n how many ears must one man have,  
Before he can hear people cry?  
How many deaths will it take till he know,  
That too many people have died?

(chorus)

## Cat's in the Cradle

**E** **G**  
A child arrived just the other day,  
**D** **E**  
He came to world in the usual way.

**G**  
But there were planes to catch and bills to pay,  
**D** **E**  
He learned to walk while I was away.

**E**  
And he was talkin' 'fore I knew it

And as he grew he said

**G** **E** **G** **D** **E**  
"I'm gonna be like you, Dad, ya know I'm gonna be like you."

(chorus) **E** **D**  
And the cat's in the cradle and silver spoon,  
**G** **A**  
Little boy blue and the man in the moon.  
**E** **D**  
"When you comin' home (Dad/son)?" "I don't know when,  
**G** **E**  
But we'll get together then (son, Dad),  
**G** **D** **E**  
You know we'll have a good time then."

My son turned ten just the other day,  
He said "thanks for the ball, Dad, c'mon let's play."  
"Can you teach me how to throw?" I said, "Not today,  
I've got a lot to do." He said, "that's okay."  
And he walked away but his smile never dimmed. It said,  
"I'm gonna be like him, yeah, you know I'm gonna be like him."

(chorus)

Well, he came from college just the other day.  
So much like a man I just had to say,  
"Son, I'm proud of you, can you sit for a while?"  
He shook his head and he said with a smile,  
"What I'd really like, Dad, is to borrow the car keys.  
See ya later. Can I have them, please?"

(chorus)

Well, I've long since retired, my son's moved away.  
I called him up just the other day.  
I said, "I'd like to see you if you don't mind."

He said, "I'd love to, Dad, if I could find the time.  
You see my new job's a hassle and the kids have the flu.  
But it's been sure nice talkin' to you."  
And as I hung up the phone it occurred to me,  
He'd grown up just like me. My boy was just like me.

(chorus)

And we will spread the news  
Always in His care.

Take my hand

The Lord he thought he'd make a man

**G C G**

Dem bones gonna rise again.

So he took a little water and he took a little sand.

**G C G**

Dem bones gonna rise again.

(chorus) **G C G C D**  
I knowed it, knowed it, indeed I knowed it, brother,

**G C G C D**  
I knowed it, whee, dem bones gonna rise again.

Adam felt so powerful blue...

Didn't I know exactly what to do...

So he took a rib from Adam's side...

And made Miss Eve to be his bride...

Placed them in his garden fail...

Thought they'd be most happy there...

Now you eat peaches, pears and such...

But of this tree you must not touch...

But 'round that tree ol' Satan slunk...

And with his eye at Eve he wunk...

Eve, these apples look mighty fine...

Just take one, the Lord won't mind...

So she took a pick and she took a pull...

And then she filled her fig leaf full...

The next day when the Lord came round...  
He spied them cores all over the ground...

Adam, Adam, where are thou?...

Here I is, lord, I's comin' now...

Adam, who these cores did leave?...

I don't know, Lord I 'spect 'twas Eve...

Now Adam, you must leave this place...

And earn your living by the seat of your  
face...

So he took a pick and he took a plow...

And that's why we're all workin' now...

Now of this song there is no more...

'Cuz Eve go the apple and we got the core...

# Lean On Me

*D* *G*  
Some time in our lives

*D* *A*  
We all have pain, we all have sorrow

*D* *C*  
But, if we are wise

*D* *A D*  
We know that there's always tomorrow

Lean on Me, when you're not strong  
And I'll be your friend, I'll help you carry on  
For, it won't be long  
Til I'm gonna need somebody to lean on.

Please swallow your pride  
If I have things you need to borrow  
For no one can fill  
Those of your needs that you won't let show

(bridge) *D*  
You just call on me brother, when you need a hand  
*A D*  
We all need somebody to lean on  
  
I might just have a problem that you'll understand  
*A D*  
We all need somebody to lean on

If there is a load  
You have to bear, that you can't carry  
I'm right up the road  
I'll share the load, if you just call me.

# Leaving On a Jet Plane

## Capo 3

**G** **C**  
All my bags are packed, I'm ready to go.

**G** **C**  
I'm standing here outside your door

**G** **C** **D7**  
I hate to wake you up to say good-bye

**G** **C**  
But the dawn is breaking, it's early morn,

**G** **C**  
The taxi's waiting he blowin his horn,

**G** **C** **D7**  
Already I'm so lonesome I could cry.

(chorus) **G** **C**  
So kiss me and smile for me,

**G** **C**  
Tell me that you'll wait for me,

**G** **C** **D7**  
Hold me like you'll never let me go

**G** **C**  
Cause I'm leavin' on a jet plane

**G** **C** **G**  
Don't know when I'll be back again

**C** **D7**  
Oh, babe, I hate to go...

There's so many times I've let you down,  
So many times I've played around,  
I tell you now, they don't mean a thing.  
Every place I go, I'll think of you,  
Every song I sing, I'll sing for you,  
When I come back, I'll bring (wear) your wedding ring.

Now the time has come to leave you  
One more time, let me kiss you,  
Then close your eyes and I'll be on my way.  
Dream about the days to come,  
When I won't have to leave alone  
About the time I won't have to stay.

# Lord Be With You

**G** **C** **D** **G**  
(chorus)..... *The Lord be with you and also with you, and also with you*  
**Em**  
Sing with me my Friend  
**C** **D** **G**  
Whoever you are, wherever you go, the Lord be with you  
**C** **D** **G**  
I don't know you now, but give me your hand, we'll have the world  
**Em**  
Right here in our hand,  
**C** **D** **G**  
You, me and the Lord, my friend, there is nothing we can't do.

1. Along this world's road I passed you each day  
And never had time to stop on the way  
And so we passed by, we don't give a smile, we don't lend a hand  
But this is our time and this is our place  
To share the Lord's love to share the Lord's grace,  
And if we take time, we'll love one another  
Just as we planned.
2. So greet one another in the Lord's name,  
And keep in your hearts the reason He came,  
To tell us the truth, to bring us new life, to show us the way  
And we'll stay together on the same road  
And we'll share with all mankind the same load,  
And then we can see together the dawning of a new day.

I bet you're gonna find some people who live;  
You don't have to worry;  
If you've got no money;  
People on the river are happy to give:

# The Ship Titanic

**G**  
Oh, they built the ship, Titanic  
**C** **G**  
To sail the ocean blue

And they thought they had a ship  
**D**  
That the water ne'er go through.

**G**  
It was on her maiden trip  
**C** **G**  
That the iceberg sunk the ship  
**D** **D**  
It was sad then the great ship went down.

(chorus) **C** **C**  
Oh, it was sad, it was sad  
**D**  
It was sad when the great ship went down  
  
To the bottom of the sea...  
**G** **C**  
Husbands and wives, little bitty children lost their lives  
**G** **D** **G**  
It was sad when the great ship went down.

They were not far from England  
They were not far from shore  
When the rich refused to associate with the poor.  
So they put them down below  
Where they'd be the first to go  
It was sad when the great ship went down.

(chorus)

They put the lifeboats out  
On the cruel and raging sea  
Ad the band struck up with  
"Nearer My God to Thee."  
Little children wept and cried  
As the waves rolled o'er the side  
It was sad when the great ship went down.

(chorus)

I ever saw...

**G**

Was sippin' soda...

He'd show me how...  
To sip my soda...

He said "Of course"...  
He'd show me how...  
To sip my soda...  
From a straw...

Then suddenly...  
That straw did slip...  
I was sippin' soda...  
From his lip...

That's how I got...  
A mother-in-law...  
And sixty-four kids...  
To call me Ma...

The moral of...  
This little tale...  
Is sip your soda...  
From a pail...

## Time for Sleep

**Open tuning**

Time for sleep  
It's time at last  
To say goodnight  
For daylight's past

Close your eyes

For wondrous dreams

If you fear  
To lay to rest  
Remember Jesus  
And know you're blessed

He was baptized in a river...

He stood judgment before Pilot...

He had died to save us sinners...

He arose on Easter morning...

He is coming back to get us...

Let us all be joyful with him

# We Are One in the Spirit

*Em*

We are one in the Spirit,

We are one in the Lord,

*Am*

We are one in the Spirit,

*Em*

We are one in the Lord,

*Am*

And we pray that all unity

*Em*

May one day be restored.

*Am*

(chorus) And they'll know we are Christians

*Em*

*Am*

by our love, by our love

And they'll know we are Christians

*Em*

By our love

We will walk with each other, we will walk hand in hand  
We will walk with each other, we will walk hand in hand  
And together we'll spread the news that god is in our land...

We will work with each other; we will work side by side  
We will work with each other, we will work side by side  
And we'll guard each man's dignity and save each man's pride...

All praise to the Father from whom all things come,  
And all praise to Christ Jesus, His only son  
And all praise to the Spirit who makes us one...

# Where Justice Rolls Down

*E*      *A*      *E*      *B*  
**Where justice rolls down like a mighty water**

*E*      *A*      *E*      *B*  
And righteousness grows like an ever-flowing stream,

.....  
And mercy resounds like the waves on the ocean-

*E*      *A*      *B*      *E*  
Let praises rise high on the songs of the redeemed.

- D*      *Bm*      *G*      *A*  
1. There is a river that streams from the temple,  
*D*      *Bm*      *G*      *A*  
Begins as a trickle but ends in the sea.  
*D*      *Bm*  
As it grows, healing it will give.  
*D*      *B*  
Where it flows, every thing will live.

2. Wade in the water and feel the strong current.  
Remember the stagnance of stale life before.  
God is here- leave the past behind.  
In these clear waters you will find-

# With a Little Help From my Friends

Capo 4

**D** **Em**  
What would you do if I sang out of tune?  
**A** **D**  
Would you stand up and walk out on **me**?  
**Em**  
Lend my your ear and I'll sing you a song  
**A** **D**  
And I'll try not to sing out of key.

**C** **G** **D**  
Oh, I get by with a little help from my friends  
**C** **G** **D**  
Oh, I get high with a little help from my friends  
**C** **G** **D**  
Oh I'm gonna try with a little help from my friends

What do I do when my love is away?  
Does it worry you to be alone?  
How do I feel by the end of the day?  
Are you sad because you're on your own? No, I get by...

(bridge) **Bm** **E** **D** **C** **G**  
Do you need anybody/ I need somebody to love  
Could it be anybody? I want somebody to love

Would you believe in a love at first sight?  
Yes I'm certain that it happens all the time  
What do you see when you turn out the light?  
I can't tell you but I know it's mine.
